Vaishnav College for Women, the festival will screen around 16 films. Alka Tomar, CEO, Ennovate Global, said, "Through the festival we hope to sensitise the civil society and the public on the issue."</p> <p>In the run up to the UN Secretary General's Climate Summit on September 23, the festival aims to generate maximum awareness on the challenges that lie ahead.</p> <p>However, the festival does not look to raise awareness merely by screening films. To contextualise the issue, discussions on themes such as the impact of climate change on the coast and Chennai, and the ways in which the media frames the debate, are planned. The festival was inaugurated by Governor of Tamil Nadu K. Rosaiah.</p>
